Kay,

This letter is to inform you of our intent to to opt the Mulberry Grove exchange 618-326 within our county border to the Bond County 9-1-1 System when they go on line on Oct 22, 2000. We will also be accepting the Coffeen exchanges that lie within the Bond County border at our 9-1-1 System. Any public phones that lie within your jurisdiction in these areas would need to be routed properly. We assume, unless otherwise notified, that the proposed exchange swaps will be in effect by that date of Bond County coming on line.

Enclosed is your copy of our amended application to the Illinois Commerece Commission for approval for establishing 9-1-1 service as set forth in this document. Thank you for your attention in this matter.
